Title: Letter of Confession

Author: Rainmaker  
-----

I, Rainmaker, here  
now confess my guilt in  
the actions I wrongly  
performed against the  
Cult of Infernal  
Necromancy and its  
honored members.

In my insane acts, I  
have done many evil  
things against this noble  
Cult, I have spied on  
them using communication  
crystals, I have resisted  
using my foul magic  
against innocent cult  
members, when they  
rightly tried to stop my  
evil acts.

I have done all this evil  
and I recognise that I am  
a criminal with no right  
for forgiveness.
